In consequence of this review, the following basic wage rates are applicable with effect from 24th March, 1969 -

BASIC WAGE AWARD AS IT AFFECTS THE NAURU PUBLIC SERVICE S

- The following is published for the information of officers and employees in the Public Service.
- The first payment in terms of this increased Basic Wage Award will be the first payday in April, 1969. Payment will also be made on this day of a bonus of \$4.50 for every fortnight worked by Nauruan members of the Public Service, between the first payday in July, 1968, and the last payday in March, 1969.
- Notice is also given that Thursday, 27th March, 1969, will be the last occasion that members of the Nauru Public Service who are on fortnightly pay, will be paid on alternate Thursdays and the last occasion that they will receive their pay made up to and including the previous day.
- With effect from 1st April, 1969, fortnightly paydays will fall on each and every alternate Friday. The first payday in April, 1969, will, therefore, fall on Friday, 11th April. This pay will include:
 - payment in terms of the new Basic Wage Award from Thursday, 27th March, 1969, up to and including Sunday, 13th April, 1969; and
 - any bonus payment due, at the rate of \$4.50 per fortnight, from 4th July, 1968, up to and including 26th March, 1969.

5. Notice is also given that the present practice of paying overtime and effecting deductions for absences without leaves, on the basis of accruals for the fortnight ending at the close of a week immediately preceding a payday, is to be discontinued with effect from 1st April, 1969.

6. The effect of this is that the payday falling on Thursday, 27th March, 1969, will be the last payday to include overtime and deductions for absences without leave for the two preceding weeks, i.e. those two weeks ending on Sunday, 23rd March, 1969.

7. On the second payday in April, namely Friday, 25th April, wages envelopes will include payment for overtime and deductions for absences without leave covering the three weeks ending Sunday, 13th April, and thereafter payment for overtime and deductions for absences without leave will be made two calendar weeks in arrears.
