

STATUTORY RULES.

No. 8 of 1940.

Made under *The Public Service Ordinance of 1907* (No. 2 of 1907).

The *Public Service Regulations, 1939* (Statutory Rules No. 12 of 1939), are further amended as follows:—

1. By inserting at the end of Regulation 35 the following further words, "From the first day of June, 1940, operation of this regulation shall be suspended so long as the present war continues."

2. By inserting at the end of Regulation 44 the following further sub-regulations:—

"(5) Notwithstanding the previous provisions of this regulation, after the first day of June, 1940, no long leave shall be granted during the continuance of the present war.

Officers on long leave at the said date shall resume duty as soon as practicable and upon such resumption long leave unexpired shall be credited to the future long leave of the officer.

The Lieutenant-Governor in Council may relax the conditions of this sub-regulation when it appears that its operation would entail in any particular case special hardship to an officer on leave at its commencement:

Provided that nothing in this sub-regulation shall extend to officers who have enlisted for active service with any of His Majesty's Forces or who apply for leave prior to retirement:

Provided further that the provisions of this sub-regulation shall not operate to diminish the money value of leave due to an officer in the event of his death.

(6) After the date mentioned in the preceding sub-regulation service performed during the continuance of the present war shall not earn long leave."

Made in Executive Council this fourth day of June, One thousand nine hundred and forty.
