Business
to be
licenced.

3(1) No person shall within the boundaries of Choiseul Province operate a prescribed business except under and in accordance with the terms, conditions and limitations of a valid business licence issued by the Executive in accordance with Section 5 of this Ordinance.

3(2) This Section shall not apply to the following:

- (i) Occasional fundraising events where the proceeds are used solely for charitable, religious, educational, sporting or other community purposes.
- (ii) Canteens run by a school or training institute for the use and benefit only of the pupils and students and teacher of that school or training institute.
- (iii) A business run by an organization, group or association or its members or owners and whose profits are used for charitable, religious, educational, sporting or other community purpose.
- (iv) Any business activities in the market which for the purposes of this section means any regularly scheduled gathering of individuals in a public place to offer goods, foodstuffs or beverages for sale.

Compliance.

4. No person shall be granted a business licence unless the business complies with all laws and policies of Choiseul Province.

5(1) An application for a business licence shall be made to the Provincial Treasurer on a form prescribed by the regulations.

Application
for and issue
of Licence.

5(2) The applicant must complete the prescribed form and give full particulars of the business for which the licence is required and the applicant shall supply the Provincial Treasurer with such additional information as he shall require.

5(3) In the event that the business for which a licence is sought does not come within one or the categories listed in Schedule I then the Executive shall determine that category and appropriate fee which shall then be applied to all similar applications.

- 5(4) All new business applications to do with investing in harvesting and utilization of the natural resources of the province, as stated in Section IV of the Choiseul Province Investment Management Policy, MUST be considered by the Executive.
- 5(5) The Executive may in its sole discretion refer any application to the Area Council (s) or to the Chiefs or any other body or person representing the local people in the vicinity in which the business is to operate for consideration.
- 5(6) Subject to Section 7 hereof, the Executive may grant a business licence subject to such other terms and conditions and limitations as it thinks fit including but not limited to a condition restricting the area of operation of the business.
- 5(7) The applicant shall be notified in writing of the decision of the Executive and upon approval of an application the applicant shall be requested to pay the prescribed fee and upon payment of the prescribed fee the Provincial Treasurer or other authorised Officer shall issue to the applicant a business licence in the prescribed form.
- 5(8) Every licence shall be valid from the date of issue until the 31st day of March next following the date of issue and shall thereupon expire.
- 5(9) The Executive may in its absolute discretion and upon receiving a written request from the applicant grant a licence for a period of two years but any such licence shall be subject to the payment of the annual licence fee on or before the due date and full compliance with the terms and conditions and limitations of the licence and with this Ordinance throughout the term of the business licence.
- 5(10) Any decision or determination of the Provincial Executive regarding whether an activity constitutes a business which must be licensed under this Ordinance and the category of licence to be issued and the prescribed fee shall be final.
- 5(11) No licence issued under this Ordinance shall convey or be construed to convey any right, power or authority to enter any private land or reef nor take any action with respect to anything without the authority and permission of the owner(s) of that land or reef or thing.

Combination
Licence.

- 6(1) Where a person operates several categories of businesses from one premises, vehicle or vessel that person shall take out a combination business licence in respect of each category of business.
- 6(2) Where a person operate a business in separate premises, vehicles of vessels that person shall take out separate business licences in respect of each premises, vehicle and vessel.

Conditions
and
limitations
of licences.

- 7(1) No licence holder shall transfer the business licence to any other person or conduct the business on any premises, vehicle or vessel other than that specified in the business licence except in accordance with Section 10 of this Ordinance.
- 7(2) The licence holder shall produce the business licence and receipt for the prescribe fee upon demand from a police officer or any person authorised by the Executive on the production by that prson of his written authority.
- 7(3) The licence holder shall conduct his business in compliance with all relevant Acts of Solomon Islands, Ordinances of Choiseul Province, subsidiary legislation of Solomon Islands and Choiseul Province and all lawful orders of any court, tribunal, commission or statutory body of competent jurisdiction in Solomon Islands.
- 7(4) Where the Executive is satisfied that the licence holder is conducting the business in contravention of the provisions of this Ordinance or in contravention any Acts, subsidiary legislation or lawful orders then the Executive may by notice in writing cancel or suspend the business licence.
- 7(5) Where a business licence is suspended or cancelled under this section the liceace holder:
- (a) shall immediately cease the business in question
 - (b) shall not receive any refund of the licence fee for the balance of the business licence year
 - (c) shall not hve the licence reinstated or be granted a new business licence until the Executive is satisfied that the grounds on which the business licence was suspended or cancelled have been remedied and the business can operate in full compliance with all Acts, subsidiary legislation and lawful orders and all lawful penalties imposed by proper authorities have been satisfied.

8. The Executive shall keep a register of all licence granted. Register.
9. (1) The fees for any business licence shall be determined by the Choiseul Provincial Assembly by way of subsidiary legislation PROVIDED HOWEVER that when an application for a business licence is made for a category of business not specified in this Ordinance or any amendment thereto then the Executive shall determine an interim fee for that business to be paid by the applicant to enable the licence to be issued, such fee to remain in force for that category of business until the Choiseul Provincial Assembly shall determine the appropriate fee. Should the fee determined by the Choiseul Provincial Assembly be different from that determined by the Executive then Choiseul Province will make a refund to or collect any additional licence fee from the business licence holder (s) for that category or business as appropriate. Fees.
9. (2) The fees for any business licence may be reviewed annually.
10. Upon payment of the prescribed fee a business licence holder may transfer the business licence to another person or the Executive may permit the business to operate from other premises, vehicle or vessel or in another area of operation provided always that the business shall still comply with the terms and conditions of the business licence and with this Ordinance. Transfer
11. Any holder of a licence issued under this Ordinance whose licence has been lost or destroyed or damaged may on payment of the prescribed fee obtain a duplicate licence from the Executive. Duplicate Licence.
12. It shall be lawful for any police officer or any person authorised by the Executive on production of his written authority at all reasonable times to demand from a person operating a business the production of any business licence for inspection and to make such enquiries as he thinks fit to ascertain whether any branch of this Ordinance of the licence has been committed. Powers of Police Officers and Authorised Persons.

Penalties.

13(1) Any person who operates or conducts a prescribed business with Choiseul Province in contravention of this Ordinance shall be guilty of an offence and liable to:

- (a) a fine not exceeding \$200.00 or fine not exceeding twice the amount of the prescribed licence fee for one year for that category of business, whichever shall be the greater; and
- (b) a further fine not exceeding \$20.00 for each day on which the offence is continued after written notification of the offence has been given to the offender:

In default of payment of the said fines the offender may be imprisoned for a period not exceeding three months; and/or

- (c) imprisonment for up to six month; and
- (d) the amount of the prescribed licence fee from the offender had the person been granted a licence; which fee shall be recoverable as a civil debt.

13(2) Any person who obstructs, hinders or resists a police Officer or other authorised person acting in the due exercise of this powers under this Ordinance or makes a false statement to any police officer of any authorised person or refuses or fails without lawful excuse to produce any licence shall be guilty of an offence and liable to a fine of up to \$200.00 or in default of payment to imprisonment for a period not exceeding four weeks.

Delegation of power.

14(1) The Executive may by an instrument in writing authorize any provincial government or public officer to exercise any powers or perform any duties of the Executive under this Ordinance subject to the general directions of the Executive and any conditions prescribed in the instrument.

14(2) The Executive may exercise a power or perform a duty not withstanding that such power or duty has been delegated to an authorised officer.

Subsidiary legislation.

15. Subject only to section 9 hereof the Executive may make such Orders and Regulations as appear to them to be necessary or expedient for carrying out the objectives and provisions of this Ordinance and in particular (without prejudice to the foregoing) such Orders and Regulations may:

- (a) prescribe the forms and contents of any application, certificate, licence or authority required by this Ordinance.
- (b) provide for the manner of appointment and the duties and powers of persons authorised to enforce and carry out the provisions of this Ordinance and its Regulations and Orders.
- (c) prescribe fees and matters relating to fees.

16. This Ordinance shall be in addition to and shall not derogate from any other Ordinance.
17. Subject to Section 18 the Western Province Business Licence (Amendment) Ordinance 1989 and its subsequent amendments is hereby repealed, in so far as it applies to Choiseul Province.
18. The repeal made by Section 17 does not exempt any person who is or has been liable to obtain a business licence or pay a business licence fee or any part of it, and the repeal made by Section 17 does not prevent the Executive from collecting any such licence fee or any part of it or do any thing permitted by that enactment which the Executive under that enactment are authorised or permitted to do.

Other
Ordinances
not
derogated.

Repeal.
